

# FORENSIC REPORT WRITING FOR SOCIAL WORKERS

11.5 CPD Points

Forensic reports benefit the court and usually influence the court's decision.

This workshop will enable delegates to:

- Display understanding of forensic report writing in terms of the purpose of the report, and the evidence to be provided to the court
- Review the law of evidence impacting on forensic report writing: opinion evidence
- Explain the importance, process and proof of contracting with clients
- Describe assessment methodologies used for information gathering for forensic reports
- Explain the structure of a good forensic report
- Analyzing your forensic report to allow for improvements
- Explain finalizing the forensic report writing process
- Explain ethical practice in relation to forensic report writing
